CAMOUFLAGE-IT SCENIC PLASTERERS, & VAC FORM

CONSTRUCTION, PROP MAKERS,
SET DEC, MODEL MAKERS, SPECIAL EFFECTS

T.V, Film, Theatre, Entertainment Industry

Camouflage-IT is a family run company with over sixty years of experience in providing decorative construction and design to the film & television, entertainment, and building industries. We pride ourselves on our unique design, high specification, and professional image. The company's continued success has led to an increase in demand for bespoke design and materials. In response to this demand, we have invested in an Italian made, custom-built, adjustable, Cannon Thermoforming machine, which is capable of pulling a magnitude of Moulds and tools.

INTRODUCTION

3

We can provide items as small as 30mm x 60mm and as large as 1600mm x 2600mm and any depth up to 650mm. The machine is capable of forming plastics up to 10mm thick. We have access to a wide range of source materials to meet any need you may have. High Impact Polystyrene (HIPS), Acrylonitrile Butadiene Styrene (ABS), Polyvinyl Chloride (PVC), Cellulose Acetate Butyrate (CAB), Ethylene-Vinyl Acetate (EVA), Polyethylene Terephthalate (PETG), Kydex (Thermoplastic Acrylic Polyvinyl), and Noryl (Modified Polyphenylene Oxide) are just a small collection of the plastics within our expertise.

Camouflage-IT is one of the only companies in the U.K. that are able to manufacture specific, bespoke Moulds and tools, or take squeezes of an existing item, or replicate any wall, rock face or object that may be required.
